### Agenda

1 p.m.....Overview of the Regulations

4 p.m.....Adjourn

### Session Overview

IHCA policy staff and consultants will provide an overview of IHCA's policy and political agenda for 2018, review potential opposition initiatives that we may face, discuss the possibilities of what is in store for our sector in any potential state budget and provide an open discussion on the various policy concerns facing the long term care profession.

Featured speaker is Rich Miller, editor, author and publisher of The Capitol Fax and the Capitol Fax blog. The Capitol Fax is widely regarded as Illinois' premiere 'political insider' publication. Miller has a finger on the pulse of everything that happens in the capitol, and his publications have a statewide readership.

We have also invited each of the major gubernatorial candidates to attend and address the group.

At the conclusion of the session, attendees should be able to:

- Explain how state legislative initiatives will impact the sector.
- Discuss current and pending regulations of impact to the profession.
- Plan for potential changes to the Medicaid reimbursement structure.
- Explain potential coming changes in state policy related to the 2018 elections

### Continuing Education

Illinois nursing home administrators and licensed nurses will earn 3.0 clock hours of continuing education for participating in this session. The Illinois Health Care Association is approved as a sponsor of continuing education by the Illinois Department of Financial and Professional Regulation.
