Philosophy and Code of Ethics of the Illinois Health Care Association

- A basic human right is to have accessible quality health care.
- Full members will provide care that will meet the physiological, psychological, environmental, and spiritual needs of each resident in licensed or certified facilities or programs.
- Full members will provide qualified staff in sufficient numbers to perform competent services to meet residents' needs.
- Members will be fair and honest in all their transactions.
- Members are encouraged to engage in research and education, which will be done with the assurance that the interest and dignity of each individual is preserved and the conduct of the program is of professional quality.
- Members are encouraged to attend and participate in all appropriate Association meetings and activities.
- Members will clearly delineate their policies and will receive and act upon complaints and suggestions, utilizing established procedures of the state and national associations and related community resources.
- Members will be an integral part of the community's health program.

IHCA Communications (How to get IHCA Newsletters)

In order to receive IHCA's electronic publications, an individual must have their own unique log in credentials. IHCA members can let us know which newsletters they would like to receive by logging into the member portal and updating their communications preferences in their contact profile. The Administrator/Contact listed on this form will be listed as the Primary Contact for your organization. Once the company information has been entered into our membership database, the Primary Contact will be able to log in and create new contacts under your organization. To find out how to create additional contact profiles, please log into the member portal and go to the Members Only page. There you will find helpful instructions and other documents.
