About IHCA

The Illinois Health Care Association (IHCA) is a non-profit organization comprised of nearly 350 licensed and certified long term care facilities and programs throughout the state. Founded in 1950, IHCA is the oldest long term care association in Illinois.

IHCA facility members include proprietary and non-proprietary facilities that represent assisted and supportive living, skilled, intermediate, intellectually and developmentally disabled, medically complex for the developmentally disabled and sheltered levels of care.

IHCA also offers special member benefits for long term care companies, such as vendors and suppliers, who work directly with long term care centers. Whether your company offers group purchasing, pharmaceutical services, medical equipment, furniture or food services, as long as you serve long term care entities (AL/SLP, SNF, ID/DD, etc.), you are eligible for associate membership. Come Celebrate with Us!

IHCA is turning 75 this year! Come celebrate our big anniversary with us at the 75th Annual IHCA Convention & Expo, September 8-10 in East Peoria!

So much has changed since the inception of IHCA in 1950—in the association, the profession, and the world overall. As long term care has evolved from the nursing homes of yesteryear to the assisted/supportive living, skilled nursing, and ID/DD centers of today, so have the needs of these facilities, their residents and staff. And, so has our association.

IHCA is committed to evolving along with our profession and our members. Over the past year, we have embraced significant changes within our organization, strengthening our ability to lead in advocacy and education for long term care professionals. Our dedication to our mission remains unwavering as we continue to drive progress and support those we serve.

A major component of our educational programming is our annual convention and expo. The planning for this year's event is well underway and we are firming up details as quickly as possible. We have made some adjustments for our 2025 event to help make it more convenient for everyone involved, including a new venue, condensing the education sessions down to two days, and new registration options. We hope this will allow long term care organizations the flexibility and options to allow their staff to attend to earn continuing education credits and visit with you, our exhibitors, in the expo!

We hope to see you there!

About the Convention & Expo

As one of the largest and longest running long term care convention and expos in our state, this event provides exhibitors exposure to key individuals from long term care facilities, including skilled nursing and assisted/supportive living facilities, as well as facilities and programs for the intellectually and developmentally disabled. The Annual IHCA Convention and Expo has a lengthy history of attracting essential long term care professionals, including nurses and directors of nursing, department heads, administrators and owners from facilities, programs and corporate offices throughout Illinois.

Exhibitors receive first-class treatment before, during and after our show, and by becoming Associate Members of the association, vendors can get even more bang for their investment buck.

Whether your goals are to meet clients and prospects, build brand and product identity or support IHCA, you will find an attentive audience.

Why Exhibit at Our Annual Expo?

Meet Long Term Care Professionals from Around the State

Each year, the IHCA Convention & Expo draws attendees from around Illinois. These attendees come from both IHCA member and non-IHCA member facilities and represent the entire continuum of care—assisted/supportive living, skilled nursing, intermediate and sheltered care facilities, and facilities and programs for the intellectually and developmentally disabled. Whether you are looking to meet potential new partners or touch base with current clients, this show is for you!

Speak Directly to Long Term Care Decision Makers

In the post-pandemic world, conventions and expos have been through some major changes, and the IHCA Convention & Expo is no exception. In the years since the COVID pandemic, IHCA has seen the number of direct care staff in attendance at convention decrease, while the number of higher-level staff has increased.

In 2023, more than 70% of the individuals who registered to attend the IHCA Convention & Expo were decision makers, and last year that number went up to nearly 80% of registrants. This group included owners and administrators, department managers and supervisors, directors of nursing, regional directors and other corporate staff, C-Suite level executives and more. If you want to talk to the people making the decisions in our sector in Illinois, don't miss this event!

Exhibitors Receive Top-Notch Service

From selecting a booth and registering your booth personnel, to on-site registration and exhibitor move-in, and everything in between, you can rely on IHCA staff to assist you whenever you need. We will do our best to give all of our exhibitors the attention they deserve and the support that they need.

Prize Giveaways

Prize drawings can be a great way to attract attendees to your booth. IHCA Expo exhibitors are welcome, and encouraged, to get creative with ways to draw traffic to their booths. However, please note, exhibitors are responsible for the handling of these drawings and contacting winners after convention is over if needed. IHCA will not make individual winner announcements and will not be responsible for unclaimed prizes.

To assist exhibitors with the process, IHCA will provide a brief form that can be completed for any prizes awarded by exhibitors and Prize Board where these forms can be posted in the Expo Hall. IHCA will make an announcement each day as a reminder for attendees to check the Prize Board to see if they have won a prize. The winner should take their prize form back to the appropriate booth to obtain their prize. Prize forms should be posted by NOON on WEDNESDAY to give winners time to check the board and pick up their prizes.

If your winner does not pick up their prize, it is up to the Exhibitor to get it to them. IHCA will not hold prizes at the Registration Desk.

Sponsorship and Advertisement Opportunities

IHCA offers a variety of sponsorship opportunities for your company to get added exposure at our Annual Convention & Expo. From strategically placed logos and signage (wall decals, table signs, etc.) to advertisements in the Convention Program and Exhibitor Guide, to bigger sponsorships that include the opportunity to speak to attendees at Opening Session or in breakout sessions, we have sponsorships to fit every budget! The 2025 Convention & Expo Sponsorship Guide will be available online soon.
