76TH ANNUAL

CONVENTION & EXPO

SEPTEMBER 21-23, 2026

EAST PEORIA, IL

EXPO PROSPECTUS

Leading with Purpose. Caring with Excellence

Join us in East Peoria, September 21-23, 2026 for the 76th Annual IHCA Convention & Expo: Leading with Purpose. Caring with Excellence.

In lieu of a specific theme this year, IHCA has decided to select a slogan for our annual Convention & Expo that captures the purpose and mission behind this long-time favorite event. This year's Convention, as well as future events, will focus on giving providers the information, skills and confidence they need to go back to their organizations with renewed energy, ready to lead their team with purpose and compassion to provide the best care possible to the residents they serve.

We hope to see you there!

About the Convention & Expo

As one of the largest and longest running long term care convention and expos in our state, this event provides exhibitors exposure to key individuals from long term care facilities, including skilled nursing and assisted/supportive living facilities, as well as facilities and programs for the intellectually and developmentally disabled. The Annual IHCA Convention and Expo has a lengthy history of attracting essential long term care professionals, including nurses and directors of nursing, department heads, administrators and owners from facilities, programs and corporate offices throughout Illinois.

Exhibitors receive first-class treatment before, during and after our show, and by becoming Associate Members of the association, vendors can get even more bang for their investment buck.

Whether your goals are to meet clients and prospects, build brand and product identity or support IHCA, you will find an attentive audience.

About IHCA

The Illinois Health Care Association (IHCA) is a non-profit organization comprised of nearly 350 licensed and certified long term care facilities and programs throughout the state. Founded in 1950, IHCA is the oldest long term care association in Illinois.

IHCA facility members include proprietary and non-proprietary facilities that represent assisted and supportive living, skilled, intermediate, intellectually and developmentally disabled, medically complex for the developmentally disabled and sheltered levels of care.

IHCA also offers special member benefits for long term care companies, such as vendors and suppliers, who work directly with long term care centers. Whether your company offers group purchasing, pharmaceutical services, medical equipment, furniture or food services, as long as you serve long term care entities (AL/SLP, SNF, ID/DD, etc.), you are eligible for associate membership. Why Exhibit at Our Annual Expo?

Meet Long Term Care Professionals from Around the State

Each year, the IHCA Convention & Expo draws attendees from around Illinois. These attendees come from both IHCA member and non-IHCA member facilities and represent the entire continuum of care—Assisted/Supportive Living, Skilled Nursing, Intermediate and Sheltered Care facilities, and facilities and programs for the intellectually and developmentally disabled. Whether you are looking to meet potential new partners or touch base with current clients, this show is for you!

Speak Directly to Long Term Care Decision Makers

In the post-pandemic world, conventions and expos have been through some major changes, and the IHCA Convention & Expo is no exception. In the years since the COVID pandemic, IHCA has seen the number of direct care staff in attendance at convention decrease, while the number of higher-level staff has increased.

Over the past few years, an average of 70- 80% of registrants were decision makers. This group has included owners and administrators, department managers and supervisors, Directors of Nursing, Regional Directors and other corporate staff, C-Suite level executives and more. If you want to talk to the people making the decisions in our sector in Illinois, don't miss this event!

Exhibitors Receive Top-Notch Service

From selecting a booth and registering your booth personnel, to on-site registration and exhibitor move-in, and everything in between, you can rely on IHCA staff to assist you whenever you need. We will do our best to give all of our exhibitors the attention they deserve and the support that they need.

To assist exhibitors with the process, IHCA will provide a brief form that can be completed for any prizes awarded by exhibitors and Prize Board where these forms can be posted in the Expo Hall. IHCA will make announcements during the Expo for attendees to check the Prize Board to see if they have won a prize. The winner should take their prize form back to the appropriate booth to obtain their prize. Prize forms should be posted by NOON on WEDNESDAY to give winners time to check the board and pick up their prizes.

If your winner does not pick up their prize, it is up to the Exhibitor to get it to them. IHCA will not hold prizes at the Registration Desk.
