MDS Updates: Navigating the Revised Minimum Data Set

The new, revised version of the Minimum Data Set (MDS) goes into effect on October 1, 2023. This update includes significant changes throughout the MDS and will affect each member of your interdisciplinary team. To help you prepare, IHCA has partnered once again with Transitional Care Management to present a 2-day training on these revisions. Each session will be three hours and will cover specific sections in detail. Join us on September 22 and 25 for two days of informative presentations that will help you and your team get ready for the launch of the new MDS!
