ABOUT THE EVENT

Each year the Illinois Health Care Association (IHCA) and The Center for Developmental Disabilities Advocacy and Community Supports (The Center) present the ID/DD Symposium.

This year's symposium will be a hybrid event, with the in-person component being held on June 11 in Springfield together with IHCA/ICAL AL/SLP Symposium. These events will also include a joint expo with an exclusive group of vendors that provide goods and services to these specialized populations.

IHCA and The Center work hard every year to bring providers updates on the hot-button issues currently affecting this special population.
