PDPM: Understanding PDPM and Developing Your Facility Action Plan
November 6, 2018
1:30 p.m.

Session Overview

This web seminar will review fundamentals of the Patient Driven Payment Model (PDPM) effective October 1, 2019 for SNF Part A reimbursement. Emphasis of this session will be on understanding the payment model and the impact on interdisciplinary team operations with strategies for developing a step wise facility action plan to guide a successful transition.

At the conclusion of this session participants should be able to:

- Discuss the components, MDS changes and key features that will impact payment under the Patient Driven Payment Model (PDPM)
- Identify key operational, training and systems considerations for preparing to transition to PDPM
- Establish a framework for developing a facility specific transition action plan

Continuing Education

Illinois nursing home administrators, social workers, physical therapists/physical therapy assistants and licensed nurses will earn 1.25 clock hours of continuing education for participating in this session.
